

XNO.BET EOM Competition Rules & Guidelines

By entering the competition and paying the entry fee, you agree to these rules and guidelines, which are subject to change.

1. How to enter the Contest

- Competition entry period is from the 1st to 7th of each month.
- During this period, participants may submit one unique guess, with no more than 3 decimal places.
- Once a guess is submitted, no refunds are available.
- The winner must either guess the exact price or have the closest guess to the actual price determined by the CoinGecko API¹.
- If there are multiple winners, the prize pool is divided equally.

2. Prize pool distribution

- Only an exact guess wins the full prize pool.
- Non-exact guesses receive 66% of the prize pool, with the remaining 34% added to the following month's prize pool.

3. Winner selection and payout

- The winner(s) are determined automatically at the final day of the month and a snapshot is taken for historical reference¹.
- Payouts may take up to 2 days to ensure the integrity of the process.
- Proxy addresses are not allowed to prevent multiple submissions by an individual.

4. Volatility Disclaimer

- The XNO/USD price is subject to fluctuation due to uncontrollable economic factors; there is no guarantee your guess price will be equal to the exact price of XNO/USD because of this.
